

EDITORIAL FROM EDITOR-IN-CHIEF

It gives me special pleasure to introduce another venture of International Science Congress Association in the form of new journal for the researchers of Language, Literature and Humanities. The journal “Research Journal of Language, Literature and Humanities” provides a forum for exploring issues in all aspects of Language and Literature which including review of comparative literature, modern literature, creative expressions, new literary history, practice and theory of creative writing literature and language, methodologies of literature and language, Theories and practice of literary studies, linguistics, stylistics, research and developments in language and literature education, Language and Literature explores the connection between stylistics and critical theory, linguistics, language assessment and language for special purposes, language planning and policies, conversation analysis, translation studies, sociology of literature, academic exchange, languages and cultures, cross-cultural studies, literary criticism, etc.

Journal also cover areas of Humanities which including humanistic studies, currents and traditions of humanities and literature, history and geography, anthropology, global studies, sociology, economics, archaeology and anthropology, cultural anthropology, economic anthropology, cultural studies, cross-cultural studies, demography, education and development studies, public administration, social welfare, -fine arts and performing arts, (music, theatre and dance,), philosophy, religious studies, visual arts, painting, drawing, media and information sciences, journalism, mass media and communication, etc.

Research Journal of Language, Literature and Humanities publishes research paper, research articles, essays, reviews paper, research reports and teaching notes on a wide range of topics of interest to the practitioner. We hope the new addition of this journal brings many more new researches close together.

With warm regards,

Prof. Dr. Dipak Sharma
