

EDITORIAL FROM EDITOR-IN-CHIEF

I am pleased to inform you that **International Science Congress Association** has been established to reveal your valuable research to the scientific world. **Research Journal of Mathematical and Statistical Sciences** is beginning its journey of international publication with this first online issue.

The Research Journal of Mathematical and Statistical Sciences publishes research papers, review papers, review articles, technical reports, mini review and short communications in all aspects of Mathematical and Statistical Sciences including algebraic, linear and multilinear algebra, geometry, geometry and its applications, simulation, optimization, statistics, statistical mechanics, multivariate statistical analysis, probability, algebraic statistics and its applications, structure of matter, measure and integration, differential geometry, partial and ordinary differential equations, quantum theory, differential geometry and Integral equations, computational algebra, algebra and mathematical logic, mathematical programming, mathematical computer sciences and numerical analysis, mathematics modeling and optimization, computational group theory, calculus of variations and optimal control, matrix theory, general, special and real functions, topology, operations research, and theoretical developments techniques, etc.

The objective is to cover all aspects of Mathematical and Statistical Sciences including those areas which remained untouched till now. The field of Mathematical and Statistical Science is flourishing with an abundance of fresh exciting discoveries and researches that continue to spur the development of powerful new techniques and expand creative Mathematical and Statistical investigation.

We invite contributors from worldwide to publish their innovative research in this journal.

Prof. Dr. Dipak Sharma

Editor-in-chief

Research Journal of Mathematical and Statistical Science, Indore, MP, India
