## **Prof. Dr. Habeeb Sahib Naher**

Prof. Dr. Habeeb Sahib Naher (H. S. Naher), former head, Department of Microbiology, College of Medicine, University of Babylon, Hilla, Iraq. I started my academic journey from B.Sc. (Microbiology), 1975, Department of Microbiology, College of Sciences, Baghdad University, Iraq followed by M.Sc. (Pathogenic bacteria), 1978, College of Sciences, Baghdad University, Iraq. I have got my Ph.D. degree (Bacterial genetics), 1990 from School of Biological Sciences, Swansea University, UK. I am working in Babylon University, College of Medicine since 1978-until now.

I am the professor of Microbiology since 2002. I taught more than 40 courses for postgraduate students in Pathogenic bacteria, Microbial genetics, Immunology, Molecular biology, General Microbiology, Microbial toxins, Biochemical genetics (Metabolism Disorders). I produced 76 M.Sc. students and 18 Ph.D. students. I published 196 papers and articles most of these at international level. I published 3 books (in Microbiology). I was the president of the 3<sup>rd</sup>. ISC, 2013, Karunya University, Dec. 2013, India. I am the Owner of the International Life Time Achievement Award for Research, ISC-2013. I am Fellow Contributor of International Science Community Association and Fellow Member of United Kingdom Environmental Mutagens (UKEM). I am editorial member of International Research Journal of Medical Sciences (IRJMedS). I was a scientific visitor for UPM, Malaysia (Apr., 2011). Recently, I was a scientific visitor for King's College Hospital, London (Sep. 2014). I have an academic experience in teaching and research for 40 years continuously.

**Prof. Dr. Habeeb Sahib Naher**

Fellow-FC-202

Former Head, Department of Microbiology,

College of Medicine, University of Babylon, Hilla, Iraq
