## Dr. Enakshi Das

Dr. Enakshi Das, Professor of Physics, Saveetha Engineering College, Chennai, started her journey from B.Sc. Honours in Physics from Rourkela Science College, Rourkela followed by M. Sc in Physics with specialization of Electronics from Sambalpur University, Odisha Then she was awarded D.I.I.T~M. Phil in Industrial Physics by Indian Institute of Technology, Kharagpur And then awarded a Ph.D. degree in Solid State.

Physics by I.I.T., Kharagpur Her Ph.D. research work was on ‘Studies of F-band Absorption, Thermo luminescence and Dielectric behavior of X-ray irradiated NaCl and KCl subjected to Electric Fields, Dielectric properties and Thermal Expansion of Tourmaline and Optical properties of Quartz crystals with X-rays’. She started her teaching career in I.I.T, Kharagpur in 1984. She has more than 32 years of academic experience in different Engineering Institutions. She has to her credit around 50 publications in National, International Journals & Conference Proceedings. She has published many books. She had been Convenor & Organiser of National Level Seminars on Crystal Growth Techniques, Workshops on Laser & Photonics & Conferences on Materials Synthesis & Characterization. She has received funding from CICS, SEC, Chennai & IAPT (Indian Association of Physics Teacher) for organizing & convening conferences & workshops.

Dr. Enakshi is a fellow member of various scientific and professional societies, including ISTE, International journal–IJERT (Reviewer), The Research Journal of Physical Science (Editorial board member). She has been active member & Chairman of Physics Board of Anna University. She has dedicated her entire life to academics, research & made significant contributions to society which marked an impact in advancement of the young generation.

Ladies and gentlemen, please welcome Dr. Enakshi Das with a huge round of applause.

Fellow-FC-265

Dr. Enakshi Das Professor, Saveetha Engineering College, Chennai, TN, India
