## Dr. A. K. Jaiswal

Dr. A.K. Jaiswal has completed his post-graduation and Ph. D. degree in chemistry from Gorakhpur University, Gorakhpur, U.P., India. Presently he is working as a Chemist/ Scientist, Department of Forensic Medicine and Toxicology, All India Institute of Medical Sciences (AIIMS), New Delhi, India. He has worked in several institutions such as the Indian Bureau of Mines, Ministry of Mines, Bangalore, Institute of Pesticide Formulation Technology, Gurgaon, National Institute of Criminology and Forensic Science (MHA), Delhi at different capacities. He is having a vast experience in handling numerous sophisticated analytical instruments for toxicological screenings for different poisons, chemicals, and drugs from various biological samples. He has also analysed viscera samples of several high-profile cases monitored by the Honourable Supreme Court of India. He has more than 25 years of research and analytical experience in the field of Forensic Chemistry, Forensic Toxicology, and Analytical Chemistry. He has guided several M.D. and Ph.D. students. He has handled prominent cases such as Sushant Singh Rajput case, Sunanda Pushkar case, etc. He is an Executive Council Member of the Indian Academy of Forensic Science. He is having Life Membership of more than twenty academic and scientific bodies/societies of national and international repute. Dr. Jaiswal is regularly invited as a speaker on various aspects of Forensic Toxicology & Analytical Instrumentation in India and abroad. He has chaired various sessions of National as well as international seminars and conferences. He has acted as a Technical Assessor for National Accreditation Board for Testing and Calibration Laboratories (NABL). He has received fellow membership from different Academic/Scientific bodies such as: Fellow Institutions of Chemists (FIS), Fellow Academy of Sciences for Animal Welfare (FASAW), Fellow international Science Congress Association (FISCA), Fellow International Scientific Research Organization for Science, Engineering, and Technology (FISROSET).

He has published around 180 research papers in national and international journals/proceedings and 4 books. He is also editor-in-chief, reviewer and board of referees of the several journals such as:

1. Reviewer, Trends in Sciences.
2. Editor-in-chief, International Journal of Forensic Science and Legal Medicine.
3. Editor-in-Chief, Journal of Forensic Chemistry and Toxicology.
4. Editor-in-chief, International Journal of Forensic Science.
5. Asst. Editor of International Journal of Medical Toxicology and Legal Medicine.
6. Editorial Board member of International Research Journal of Forensic science.
7. Board of Referee, Indian Police Journal, BPR&D (MHA), New Delhi.

He has received several awards for his research work such as: 1. Forensic Excellence Award, 2. IESRF Consistent Contributor Research Award, 3. Best Paper Presentation Award in ICFS, London, UK, 4. International Highest Publication Award, 5. Prof. K. A. Thaker Award, 6. Dr. P. D. Sethi Award

Ladies and gentleman, please welcome **Dr. A. K. Jaiswal** with a huge round of applause.

## Dr. A. K. Jaiswal

Chemist/ Scientist,

Department of Forensic Medicine and Toxicology,

All India Institute of Medical Sciences (AIIMS),

New Delhi, India

Fellow-FC-769
