## Dr. Mohammed Yaseen

Dr. Mohammed Yaseen has been working in the field of conservation of wildlife, environmental conservation, rural development, women's health and science popularization especially among school students.

Dr. Yaseen has been doing a great deal for the benefit of society. He has designed several low cost agricultural implements to make agricultural practices easier and affordable for farmers. He is also working for the cause of bringing awareness about menstrual hygiene and women's health. Besides this his study on UV radiations is currently being carried out in 7 states. The work on UV radiations is highly relevant in today's scenario of environmental crisis which is a source of worry world over.

He is also the resource person for Department of Science and Technology, Govt. of Rajasthan and working in the field of Research and Development also.

Dr. Yaseen has been guiding school students at national and international science platforms for last 20 years and by far he has mentored about 5000 students for state, national and international science events. The students under him not just participated in these events but also brought several laurels to the state.

Many of his students are working successfully in Medical as well as other fields and serving the nation and society.

Dr. Mohammed Yaseen has been received the following awards: Global Teacher Award in 2022, Dr. A.P.J. Gold Medal Award 2022, Bharat Ratna Mother Teresa Award 2023, Vishwa Paryawaran Puraskar 2024, Best Research Paper Award 2022 & 2024.
