Prof. (Dr.) Binay Kumar Mishra

Prof. (Dr.) Binay Kumar Mishra is a distinguished academician and researcher, currently serving as University Professor and Head of the Department of Physics at Veer Kunwar Singh University, Ara, Bihar. With an illustrious career spanning nearly four decades, he has established himself as an eminent figure in higher education, research, academic administration, and scientific innovation. Dr. Mishra completed his foundational education at Hazaribagh before graduating with B.Sc. (Hons) in Physics in 1982 and subsequently earning his M.Sc. in Physics in 1984 from Ranchi University. He was awarded his Ph.D. in Physics from Ranchi University in February 1992, marking the beginning of an impactful research career. Alongside his core academic training, he has enriched his professional profile with additional qualifications including B.Ed., LL.B., Diploma in Computer Application (DCA), and a Post Graduate Diploma in Computer Applications (PGDCA). He also successfully completed the prestigious “IT Champion Training Program” organized by the Ministry of HRD, Government of India, and Microsoft in 2011.

With 38 years of teaching experience and 31 years of Research Experience. Dr. Mishra has contributed extensively to the academic development of numerous students and researchers. Under his mentorship, 16 scholars have been awarded Ph.D. degrees, and he has evaluated 24 doctoral theses as an external examiner for various universities across India. His research excellence is reflected in his international patents, including one granted by the Australian Government (Innovation Patent: 2020103841) and another by the Republic of South Africa (2023/02618), along with two more patents currently under evaluation. Dr. Mishra has delivered six invited talks, organized five academic workshops, and participated in over thirty national and international conferences, published almost sixty original research papers showcasing his active engagement with the global scientific community.

His administrative experience includes serving as CCDC at V.K.S. University, Director of the Department of Computer Science, and University Representative in various affiliated colleges since 2018.

Dr. Mishra is an active member of multiple prestigious scientific societies at the national and international levels. He is a life member of the Plasma Science Society of India, Indian Physics Association, National Society of Fluid Mechanics and Fluid Power, Indian Association of Physics Teachers (EC Member, RC-20), Indian Science Congress Association, Indian Mathematical Society, and International Science Community Association. He further holds memberships in the Australian Physical Society, American Physical Society, Institute of Physics (UK), and the Nepal Physical Society, reflecting his strong global academic presence.

Through his extensive teaching, research, administrative leadership, and scientific innovation, Prof. (Dr.) Binay Kumar Mishra continues to make significant contributions to the advancement of physics education and research, both in India and internationally.

Prof. (Dr.) Binay Kumar Mishra is a Fellow Contributor of International Science Community Association.
